Real Service...Real Results!

2019 was another great year for your locally owned Real Estate Office. We welcomed one new agent to our office. With 41 sales and \$13,651,700 Million Dollars in Sales Volume. The ability to get Homeowners Insurance at reasonable prices did hamper our market, however we look forward to growth in 2020.

Community Service

Z Group is a proud member of Community Economic Development Association of Pollock Pines (CEDAPP) and sponsored the 12th Annual Pollock Pines Clean Up Day. It was another success and we removed over 66 Tons of Trash and Metal from our neighborhoods!
